An ISO 9001:2008 Certified Company

Accr. No. M3111204IN

Profile

Established in the year **1997**, we, **Satyam Steel Industries, Mumbai**, are an **ISO 9001:2008 Certified** enterprise, which is one of the leading **manufacturer, supplier**, of an unparalleled range of **Industrial Ferrous And Non Ferrous Metal Products**. These products are manufactured utilizing modern machinery and sophisticated technology in compliance with the international quality norms and standards. Owing to their dimensional accuracy, durability and rust proof nature, these products are applicable in engineering & construction, automotive industry, drilling & well building, chemical industry and allied. Our personnel ensure to render third party inspections of the offered range under the guidance of prestigious agencies such as Bureau of Indian Standards, Bureau of Verification and Calibration, etc. In order to ensure that we offer an unmatched range of products, a competent team of dexterous personnel is appointed by us. The personnel appointed by us ensure to cater to the emerging requirements of honorable clients by maintaining cordial relationship with them. Additionally, our quality experts make sure to check the entire range, by conducting innovative test such as pneumatic gas, helium gas, pressure cycle and temperature inspections. Bounded to the vast manufacturing facility, customers based approach and ethical trade practices, we are able to serve numerous customers across the **India** amongst few.

Under the apt supervision of our **CEO's, 'Mr. P. B. Patel / Mr. A.J. Patel'**, we are able to lead convincingly in this domain. Their wise managerial skills, innovative ideas, practical approach and commendable knowledge have allowed us to mark a significant presence in this domain.

STEEL FLANGES

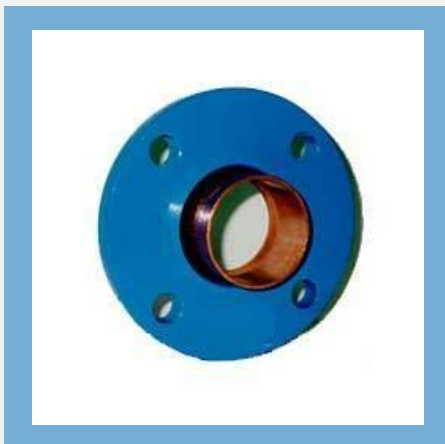

Owing to the vast manufacturing facility, we are offering an unparalleled assembly of **Steel Flanges**. This range is developed using optimum grade raw material and latest technology in strict compliance with the international quality norms and standards.

Socket Weld Flanges

Blind Flanges

Slip On Flanges

Lapped Joint Flanges

BUTT WELD FITTINGS

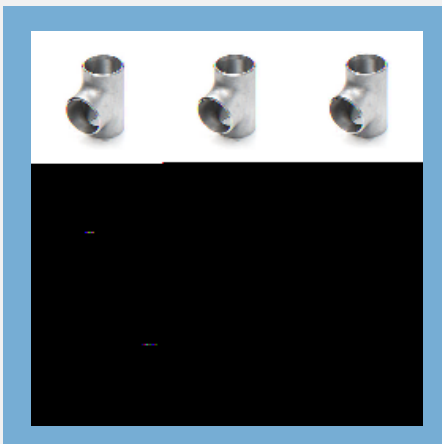

We are readily engaged in offering a supreme range of **Butt Weld Fittings**. This range of butt weld fittings is available in seamless & welded forms ranging from 15 NB till 1200 NB.

Nickel Alloy Butt Weld Fittings

Butt Weld Elbows

Equal Tee

Butt Weld Reducing Tee

FORGED PIPE FITTINGS

With the backing of our personnel and rich experience, we are offering a supreme range of **Forged Pipe Fittings**.

Forged Elbow

Forged Coupling

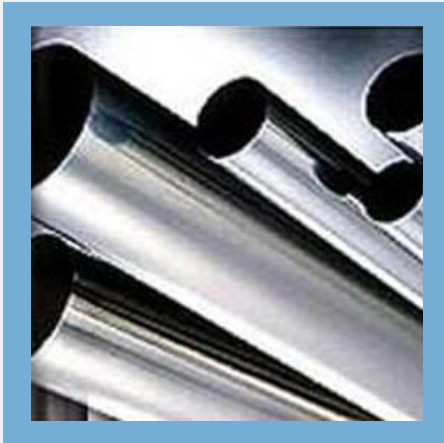

Forged Half Couplings

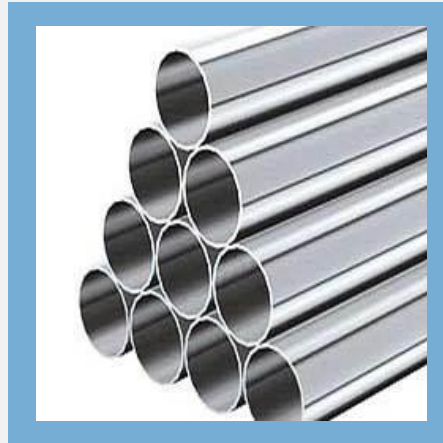

Nickel Alloy Forged Fittings

STEEL PIPES

In order to cater to the assorted demands of honorable clients, we are engaged in offering a comprehensive assembly of **Steel Pipes**.

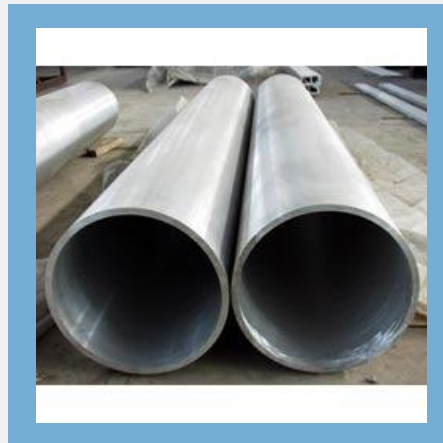

Stainless Steel Pipes

Stainless Steel Duplex Pipes

Copper Steel Pipes

Alloy Steel Pipes

INDUSTRIAL FLANGES

With rich experience and a competent team of personnel, we are engaged in offering a wide range of **Industrial Flanges**. This range is developed utilizing superior grade material such as steel and allied in compliance with the international quality norms and standards.

Spectacle Blind Flanges

Drawing Flanges

Reducing Flanges

Ring Joint Flanges

INDUSTRIAL FASTENERS

In order to meet the assorted demands of esteemed clients, we are engaged in offering a wide range of **Industrial Fasteners**. This range of industrial fasteners is available in a number of customized specifications and is made utilizing modern machinery in compliance with the international quality norms and standards.

Nickel Fasteners

Industrial Washer

Industrial Screws

Industrial Bolts

INDUSTRIAL SHEETS

With immense experience and a competent team of deft personnel, we are engaged in delivering a wide range of **Industrial Sheets**. This range of industrial sheets is developed utilizing optimum grade material such as steel, alloy and allied in compliance with the industry laid norms and standards.

Stainless Steel Sheets

Nickel Alloy Sheets

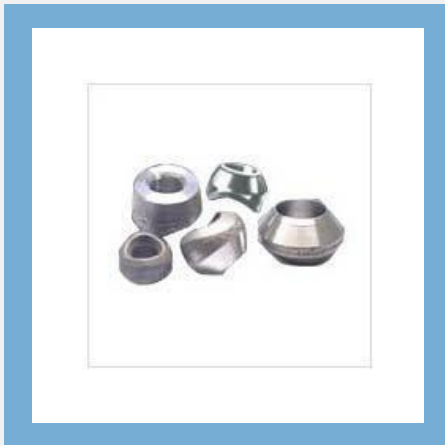

Carbon Steel And Alloy
Steel Sheets

Aluminum Sheets

INDUSTRIAL OLETS

These Industrial Olets are made of superior grade raw materials to ensure durability and efficient performance at client's end. Our Outlet is offered at industry leading prices.

Nickel Alloy Outlets

Carbon Steel Outlets

Stainless Steel Outlets

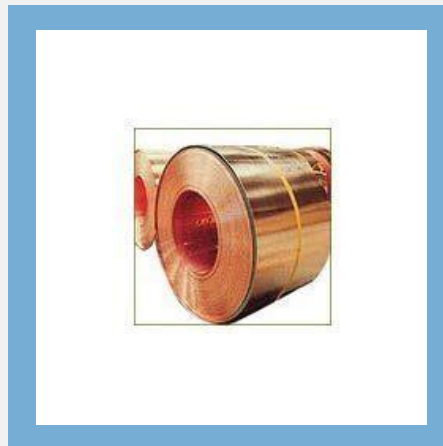

Alloy Steel Olets

NON-FERROUS METALS

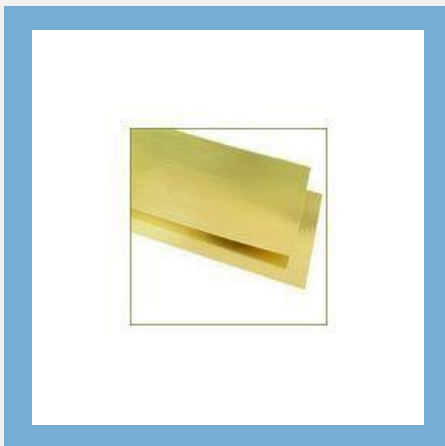

Our **Non Ferrous Metals** products are manufactured using superior quality raw materials. These products are in great demand amongst our clients due to their durable work life, heat resistance and low maintenance. We offer these in different dimension and shapes as per the requirement of clients.

Copper Foil

Copper Sheet-Strip

Brass Sheet

Gun Metal Bush

DAIRY FITTINGS

Dairy Fittings are fabricated using higher quality materials that are acquired from qualified vendors of the industry. We offer these in different sizes and shapes which are highly used in used in various dairies, foods and beverages industries. Our range of these is provided according to the specifications mentioned by clients.

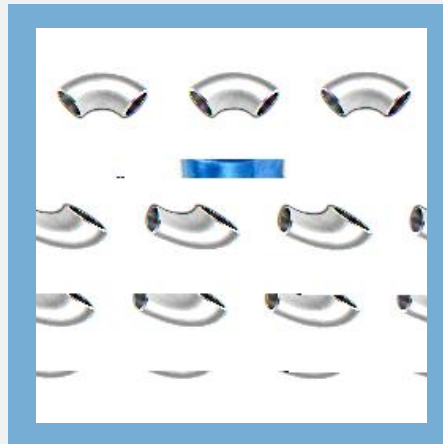

Reducing Tee

Dairy Reducing Tee

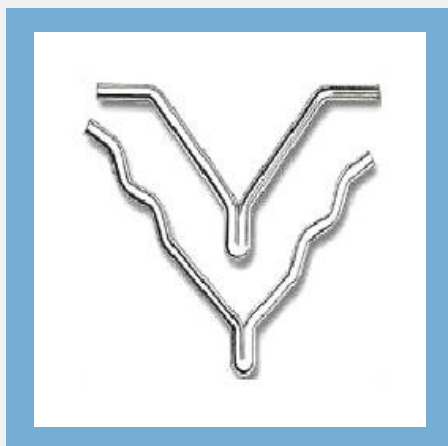

Dairy Coupling

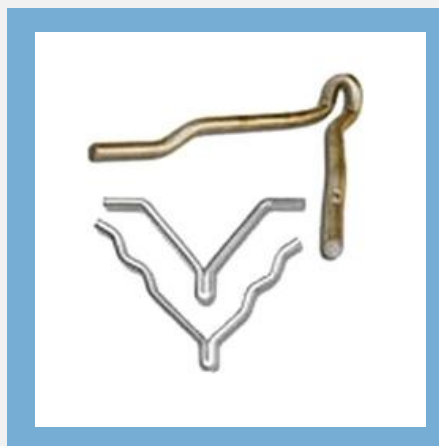

Dairy Elbow

REFRACTORY ANCHORS

Refractory Anchors are used in various industries, available with us in plates, hangers, hanger bolts and studs are highly appreciated by our clients.

Refractory Anchors

Refractory Anchor

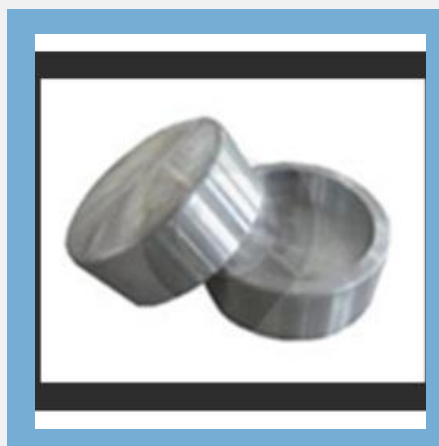

Y Shape Refractory Anchors

STAINLESS STEEL PIPE FITTINGS

We take pride in offering a wide range of **Stainless Steel Pipe Fittings** which is well known for the accurate dimensions, and efficient & speedy performance. These are offered in various specifications based on the requirement of the client. We offer them at a cost effective price.

Stainless Steel Insert

Stainless Steel Cap

Stainless Steel Cross

Stainless Steel Plug

METAL BARS

We are well efficient in manufacturing and designing highly efficient Metal Bars at low cost. These Metal Bars are shaped and designed according to our client's needs. Therefore, these are getting immense accolades and satisfaction of our clients.

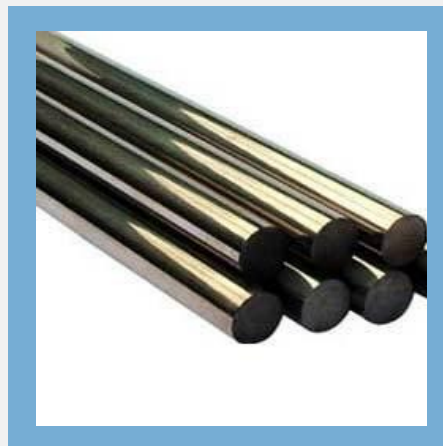

Stainless Steel Bars

Alloy Steel Round Bars

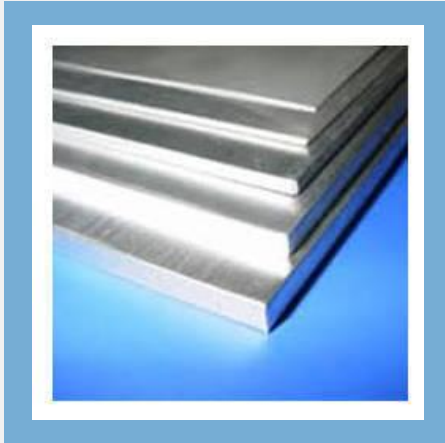

Duplex Steel Round Bars

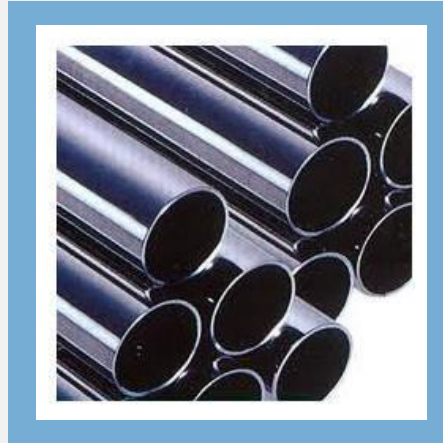

Nickel Rods

STAINLESS STEEL PRODUCTS 304

Providing you the best range of Stainless Steel Products 304 such as Stainless Steel 304 Plate, Stainless Steel Pipe, Stainless Steel Flanges, Stainless Steel Round Bar, Stainless Steel 304 Tube, Stainless Steel Sheet and many more items with effective & timely delivery.

Stainless Steel 304 Plate

Stainless Steel Pipe

Stainless Steel Flanges

Stainless Steel Round Bar

STAINLESS STEEL PRODUCTS 304L

Leading Manufacturer and Exporter from Mumbai, our product range includes Stainless Steel Products 304L such as Stainless Steel 304L Pipes, Stainless Steel 304L Tubes, Stainless Steel 304L Butt Weld Fittings, Stainless Steel 304L Round Bar, Stainless Steel 304L Sheet Plates, Stainless Steel 304L Flanges and many more items.

Stainless Steel 304L Pipes

Stainless Steel 304L Tubes

Stainless Steel 304L Butt
Weld Fittings

Stainless Steel 304L
Round Bar

STAINLESS STEEL PRODUCTS 316

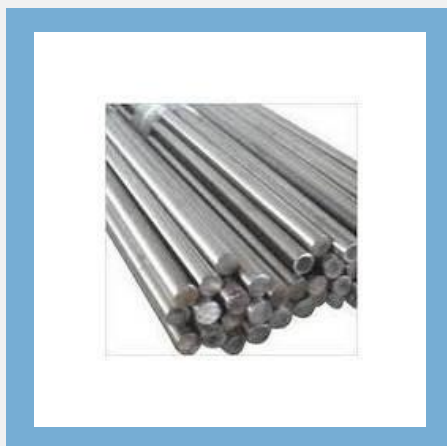

Offering you a complete choice of products which include Stainless Steel Products 316 such as Stainless Steel 316 Pipe, Stainless Steel 316 Flanges, Stainless Steel 316 Round Bar, Stainless Steel 316 Tube, Stainless Steel 316 Sheets, Stainless Steel 316 Buttweld Fittings and many more items.

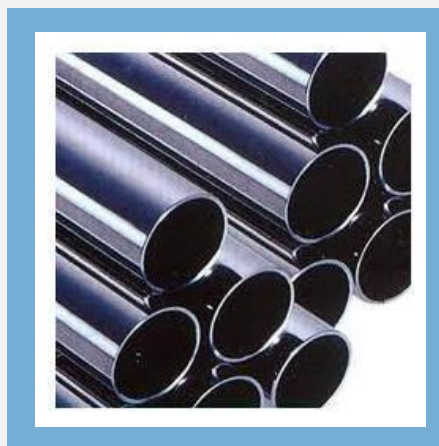

Stainless Steel 316 Pipe

Stainless Steel 316
Flanges

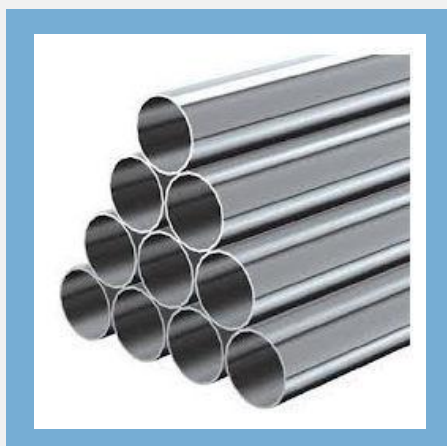

Stainless Steel 316 Round
Bar

Stainless Steel 316 Tube

STAINLESS STEEL PRODUCTS 316L

Leading Manufacturer and Exporter of Stainless Steel Products 316L such as Stainless Steel 316L Pipes, Stainless Steel 316L Tubes, Stainless Steel 316L Butt Weld Fittings, Stainless Steel 316L Round Bar, Stainless Steel 316L Sheet, Plates & Coils, Stainless Steel 316L Flanges and many more items from Mumbai.

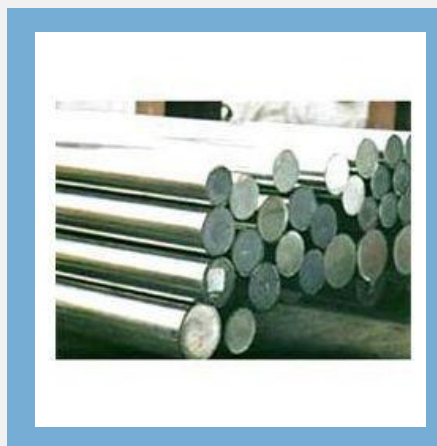

Stainless Steel 316L Pipes

Stainless Steel 316L Tubes

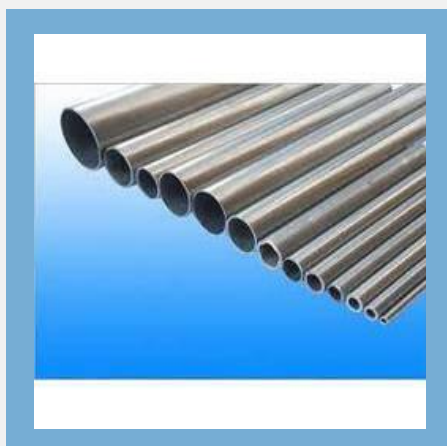

Stainless Steel 316L Butt
Weld Fittings

Stainless Steel 316L
Round Bar

STAINLESS STEEL PRODUCTS 316Ti

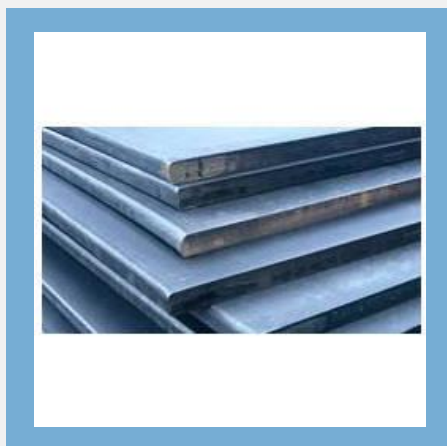

Offering you a complete choice of products which include Stainless Steel Products 316Ti such as Stainless Steel 316Ti Tube, Stainless Steel 316Ti Flanges, Stainless Steel 316Ti Plate, Sheet And Coil, Stainless Steel 316Ti Round Bar, Stainless Steel 316Ti Buttweld Fittings, Stainless Steel 316Ti Forged Fittings and many more items.

Stainless Steel 316Ti Tube

Stainless Steel 316Ti
Flanges

Stainless Steel 316Ti Plate,
Sheet And Coil

Stainless Steel 316Ti
Round Bar

STAINLESS STEEL 317L PRODUCTS

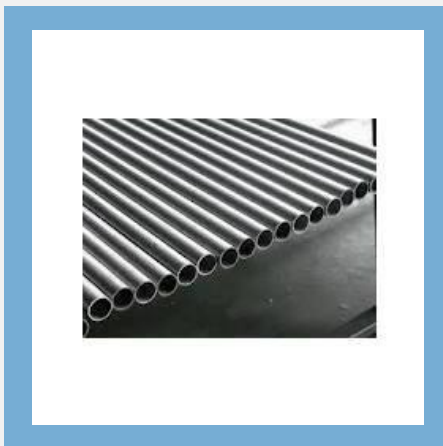

Providing you the best range of Stainless Steel 317L Products such as Stainless Steel 317L Pipe, Stainless Steel 317L Sheets, Stainless Steel 317L Tube, Stainless Steel 317L Round Bar, Stainless Steel 317L Butt weld Fittings, Stainless Steel 317L Bend and many more items with effective & timely delivery.

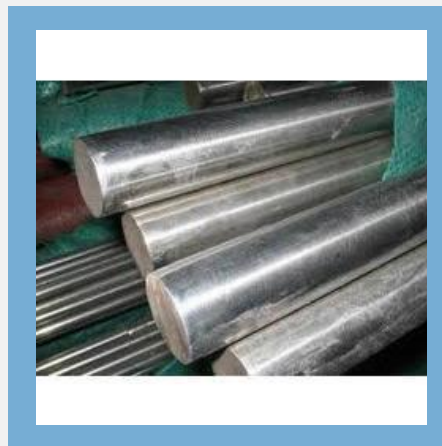

Stainless Steel 317L Pipe

Stainless Steel 317L
Sheets

Stainless Steel 317L Tube

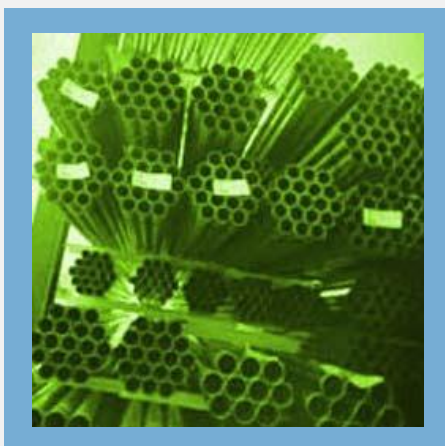

Stainless Steel 317L
Round Bar

COLD DRAWN TUBES

COLD DRAWN TUBES:

GENERAL FEATURES

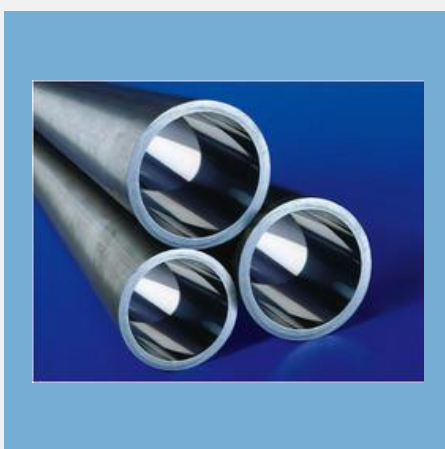

These products are Manufactured by cold drawing of seamless and welded fully killed steel tubes. This Particular process assures a high dimensional precision, while different kind of following heat treatments are used to reach different levels in mechanical properties.

Welded Smooth Bore
Cylinder Tubes Inside H9
Or H10

Cold Drawn Seamless and
Welded Tubes for Honing

Cold Drawn Cylinder
Tubes Inside H8

Factsheet

Year of Establishment : 1997
